# TABLE OF CONTENTS

<b>Section I: <i>Introduction: Getting Beyond Incendiary Rhetoric</i></b> .....	3
War Metaphor.....	3
Catastrophe Mentality .....	4
Usual Suspects: Villainous Wildfire, Victimized Homeowners, Valorized Firefighters.....	5
<b>Section II: <i>Fireside Chats: Getting Beyond Official Sources for Information and Interviews</i></b> .....	6
Wildland Firefighters.....	6
Fire Scientists and Fire Ecologists .....	7
Local Homeowners and Community Members .....	7
Small Business Owners.....	7
Conservation Volunteers and Timber Workers .....	8
<b>Section III: <i>Smoke Reports: Covering Underreported Issues</i></b> .....	9
Risks to Firefighter Safety.....	9
Taxpayer Costs of Fighting Fire.....	10
Environmental Impacts of Firefighting .....	11
Benefits of Prescribed Burning and Wildland Fire Use .....	12
Role of Climate Change in Large Wildfires .....	13
Influence of Commercial Logging and Livestock Grazing on Wildfire.....	13
<b>Section IV: <i>Questioning Authority: Asking Critical Questions of Government Fire Officials</i></b> .....	15
Firelines.....	15
Chemical Fire Retardants.....	16
Suppression Firing Operations (Backfires and Burnouts).....	16
Fire Suppression Costs.....	17
Suppression Strategy and Rationale.....	17
Post-Fire Rehabilitation .....	17
<b>Section V: <i>Fire Watch: Monitoring Wildfires on the Web</i></b> .....	19
Inciweb.....	20
Incident Management Situation Reports.....	23
Fire News .....	25
National Fire News .....	28
National Incident Information Center .....	30
The Morning Report.....	32
Wildland Fire Statistics .....	33
Historical Incident ICS-209s.....	33
Table I: Wildfire Monitoring Websites.....	36
<b>Section VI: <i>Burning Issues: Essential Fire Ecology Terms and Concepts</i></b> .....	38
Fire Ecology .....	38
Fire Triangle and Fire Environment.....	38
Fire Behavior and Fire Effects .....	38
Fire Risk and Fire Hazard .....	38
Fire Types: Ground, Surface, Crown Fires.....	39
Fire Intensity and Fire Severity .....	39
Fire Management .....	40
Fire Regimes .....	40
Fire Return Interval .....	40
Fire-Adapted Species .....	41
<b>Section VII: <i>All the Words Fit to Print: New Fire Management Terminology</i></b> .....	42
<b>Section VIII: <i>Conclusion</i></b> .....	43
